*This is up near River side  
when I went up last February  
I wrote you about that a beautiful  
light. Well I had the pluck and  
to take pluck to do the undertaking  
I did you know say every thing  
I could and I thought I did that  
I have learned to write to you I had  
a piece of news I thought I wrote to  
you when she saw them and she  
grabbed my hand and said, "Oh this  
must be this" you are here and  
I'm here*
